CHRISTIAN COLLEGE

Uniform Guide

Rationale

The school uniform of Ellenbrook Christian College provides an appealing display of inclusion, unity, and connection throughout the college learning community, from Pre-Kindergarten to Year 12. A high standard of dress is expected of all, consistent with our aspiration to be a community of excellence in all that we do.

The uniform serves as a visual reminder of belonging and supports a positive and respectful culture throughout the College. The consistent and appropriate wearing of the College uniform is an expectation of all students, expressing a posture of dignity, modesty and respect, for both themselves and others. Students are required to wear the College uniform on all occasions unless instructed otherwise by the College administration. Simplicity, functionality, and neatness are emphasised in the wearing of uniform, to underline this principle,

"Your beauty should not come from outward adornment, such as elaborate hairstyles and the wearing of gold jewellery or fine clothes. Rather, it should be that of your inner self, the unfading beauty of a gentle and quiet spirit, which is of great worth in God's sight."

Responsibility to be Well-Presented

The correct wearing of College uniform (regular and sport uniform) is compulsory, and the cooperation and support of our students is both needed and expected. Parents and Guardians should ensure that their child's uniform is in good repair, clean and being worn correctly, when leaving for school in the morning. It is the students' responsibility to be fully prepared for each school day, and this includes the wearing of the correct school uniform at all times throughout the day, to meet the daily uniform requirements.

Support for the Ellenbrook Christian College uniform policy is a condition of enrolment. Breaches of the uniform policy will, with the support of the College Administration, be responded to with a directive to students from staff, calling on them to cooperate and comply with the uniform requirements. In response to such directives, families may be asked to purchase new or extra uniform items from the uniform shop, and if the breach or circumstance demands, parents may be asked to collect their child from the College to make necessary changes.

All items of uniform should be clearly labelled (with student's full name) enabling the student to take the responsibility of caring for each piece of clothing while at school. Items of uniform are to be in good repair, correctly sized and clean.

Summer uniform is to be worn in Terms 1 and 4 and winter uniform will be worn for Terms 2 and 3, unless otherwise notified. For secondary students, the College blazer is required to be worn both to and from school, and to all official College functions. The school tracksuit top is not to be used as a replacement for the wool jumper nor should it be used as an additional layer beneath the blazer. Students with special uniform needs can consult with their classroom or Pastoral Care teacher for appropriate options, as approved by the Principal.

If a student is for some reason not in full uniform, they should bring a note from home signed by their parent or guardian. The note should state clearly which item of uniform is unavailable, the reason, and the date when the student will be in correct uniform again. The remaining items of the school uniform must be worn. Notes will only be accepted in the short term (less than one week) and the matter is expected to be corrected within this time frame. Having a note does not diminish or remove a student's responsibility to be prepared for the school day and be wearing the correct uniform.
